

ALL ABOUT OUR

LADIES AUXILIARY

Of the KNIGHTS OF COLUMBUS MARY'S MILLENNIUM COUNCIL #12801
St John the Evangelist Catholic Church, Streamwood, IL
Established 2005

Where did the Ladies Auxiliary come from?

Explanation: We are considered a "committee" of the Mary's Millennium Knights of Columbus Council #12801. As such, we stand in partnership with the Knights of Columbus whereby we are a responsibility of, and are responsible to the Knights of Columbus. We function independently and in compliment to the Knights. A Lady need not have a family member participating in the Knights of Columbus.

We invite all ladies of the parish to join with us.
Mission: For the Spiritual and "Living" benefit and enrichment first of the parishioners, their families and the students of St John's, second for the "World Community" of life, third for the organization of Knights of Columbus and fourth for our country, the United States of America.
Moto: "In Service for One, In Service for All"

Where did the Knights of Columbus come from? In the early 1900's Father Michael McGivney organized the Fraternal Order of the Knights of Columbus as an entity by which the poverty and oppression of his parishioners could be peacefully relieved and their futures be improved upon. The parishioners needed spiritual guidance and social services to be the best they could be. Faithful husbands, loving fathers, protectors and providers. They needed food, shelter, safety and security with access to

better jobs/pay, schooling, medical care, housing and relief from crime. Over time, this evolved into an organization which provided spiritually, bonding, resources and the means for improvement of all members of the Knights of Columbus. With the growth of the Knights, they have become a Fraternal Order supporting and enriching family life as well as the lives of the needy. And not just Catholics. They now embrace the "World Community". The Webster dictionary defines the meaning of catholic as "universal".
