## A word from our president

As we look back the past year so very much has been accomplished. This is a direct result of the dedication of our membership under the guidance of the past executive board. The gift our members give of their time is priceless! The newly elected officers and trustees met to plan out another dynamic year of living our faith and making a difference by what we give of ourselves.

Attached you will find a description of the various committees and the duties of the members on each of the committees. Some changes have been made to the make-up of the individual committees. Those of you that have served on a specific committee in the past are encouraged to continue on that committee. We are asking that mem-

bers contact either me at [jlorowski@sbcglobal.net](mailto:jlorowski@sbcglobal.net) or Monica O'Neill at [2monicaoneill@gmail.com](mailto:2monicaoneill@gmail.com) to volunteer for a committee. At our July meeting we will discuss the various committees and answer any questions you may have regarding the duties of the individual committee you may want to join. Hopefully at the next meeting we will be able to fill most, if not all, of the positions on each committee. I, as President, will be a member, ex-officio, of all the committees. The Board members have also made a commitment to serve on a committee. I would like to take this opportunity to thank you all personally for what you have done in the past,

what we will do in the present, and what we can accomplish in the future.

Joanne Lorkowski,  
President
