## From the Desk of the President

### From the Desk of the President:

With a new year to look forward to, I have given some thought to New Year's resolutions. What better New Year's resolution than to focus on God and becoming more spiritual which will thus lead us to a closer relationship with God. Prayer is our direct pipeline to God. Each day of the year one can be-

gin and end the day with a prayer. May this year find your hearts filled with hope and trust in God.

Joanne Lorkowski,  
President
