

Ladies Auxiliary

12801 Mary's Millennium Council

September 2014

From the Desk of the President

While attending the Pink and Blue Banquet Fundraiser for the Well of Mercy which is the McGivney Home, the members of our auxiliary present were volunteering with the auctions to raise money for the McGivney Home. Members of the Board of Directors of the Well of Mercy were overwhelmed with all the support our auxiliary has given them. They spoke not only of the financial support but also the items donated by our members and the help we were giving them at the event. Our auxiliary was referred to as "A Band of Angels". They could only wish that other auxiliaries could be as supportive. All of us present were so proud to be part of our Ladies Auxiliary. This could only have happened because of all of you.

The Mission Statement for the Well of Mercy is to provide a home environment that exists to support single pregnant women who choose life for their babies. The mothers, empowered by faith and with support and guidance will be on their way to build solid futures for their families. Just think, we are a part of this great endeavor. We are Making Difference One Step at a Time!
